DETAILED ACTION

Status of Claims

1. Applicant has cancelled claims 4, 17, and 26-31. Claims 1 and 14 have been amended. Accordingly, claims 1-3, 5-16, and 18-25 remain pending in this application and are allowed.

Allowable Subject Matter

2. Claims 1-3, 5-16, and 18-25 are allowed over the prior art of record. The following is an examiner's statement of reasons for allowance:

3. As per claims 1 and 14, the closest prior art of record (Woolston, 5,845,265; Walker, 6,108,639; ebay; and Mondera) taken either individually or in combination with other prior art of record fails to teach or render obvious an auction system for a merchandise item in a networked environment comprising a preregistration module, an assurance module, a description module, a bidding module, a system database, a notification module, where the merchandise inspection report is displayed prior to processing a plurality of bids from a plurality of users; and the auction system removes the merchandise item from the auction system if a seller of the merchandise item does not agree with the merchandise inspection report generated by the assurance module.

4. The claims further recite that "the buyer is free from providing any condition associated with the merchandise item", and a "merchandise inspection report including a warranty for the merchandise inspection report as an assurance to said buyer". The prior arts fail to teach a warranty to ensure the accuracy of the inspection report as an

assurance to the buyer. Without such a “warranty”, the buyer does not have the assurance on the inspection report as this is the claimed invention in the application.

5. As per claims 2-3, 5-13, 15-16, and 18-25, the closest prior arts taken either individually or in combination with other prior art failed to teach the steps recited in the dependent claims 2-3, 5-13, 15-16, and 18-25.

6. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled “Comments on Statement of Reasons for Allowance.”
